Thank you for applying for financial assistance. The ECMS Advisory Board members recognize that children benefit greatly from music-and-movement education, and we wish that we could award scholarships to all that apply. Because funding is limited, however, we must screen the applicants carefully to ascertain eligibility. Students who are already enrolled or have been receiving scholarship assistance receive priority status for assistance. Before applying, refer to this chart, which lists the maximum family income allowed to qualify for either a partial or full scholarship.
